**ENGINEERED FOR BUSINESS**

#### Fastest Print Speed

Dual print heads and ink-sets deliver best-in-class print speeds of 51.8m<sup>2</sup>/h in high-speed mode and 17.62m<sup>2</sup>/h in production mode without a dedicated RIP.

#### High Reliability

Sensors monitor the printed image to detect nozzle clogging and automatically tunes the print head and feed adjustments to minimise print wastage.

#### Renowned Epson Colour Printing Quality

Expanded 5-colour model produces high-quality prints with white ink on dark or transparent media. Prints are lightfast for up to three years\* outdoors without lamination.

\*UltraChrome GS2/GSX inks meet the chemical requirements of the Nordic Ecolabel (Nordic Swan) for printing companies. Measured using Epson testing standards, using selected media from 3M and Avery Dennison Corporation.
